Lee,

I would like to commend Rito Salas and his crew for a job well done. He has been easy to work with and has a great attitude toward work. He is very competent in all aspects of his work. He works well with others. He met all schedule dates that we discussed. He is just a pleasure to work with. It always makes for a good job, good moral, improves productivity when a Subcontractor has a superintendent that I don't have to watch every step he takes.

Thank You,
Michael L. Thomason
Superintendent
