

November 10, 2008

Dear Robert,

On behalf of the International Marina Institute (IMI) and the Association of Marina Industries (AMI), I would like to thank you for speaking at the 8th Drystack Conference in West Palm Beach, FL. We understand the time and hard work that went into creating your presentation, Cutting Edge Technology, and appreciate your efforts.

We are delighted with the success of this year's conference. Our final counts put the number of participants over 125 and 22 exhibitors. These numbers exceeded our initial expectations and as a result, the conference was one of IMI's best showings in its history. Your contribution to the conference and participation as a speaker were vital to its success.

As a speaker and experienced professional in the marina industry, we value your thoughts and opinions and would appreciate hearing from you if you have any suggestions on how we can improve future IMI training events. Please also feel free to let us know if you have ideas on future seminar topics that are important or of interest to marina professionals. This information can be sent to imitraining@marinaassociation.org. I can also be reached at (401) 247-0314.

Thank you again for presenting at the conference. We look forward to seeing you at future IMI events.

Best,

Kayce Florio

Kayce Florio
